Do we have a way for you to kick start the 2014 ICC Annual Conference! Come join the Chapter on a Habitat for Humanity build day. WICED will be working with the Habitat for Humanity of Broward County on Saturday, September 27, 2014. The Chapter is allotted spaces for 15 volunteers. Watch for more information.

Members in the News

One of our Chapter members, Sheila Blake with the City of Houston, was interviewed recently for the Building Safety Journal. If you are an ICC member, you can view her interview in the [October 2013 BSJ Online](#).

Chapter Conference Call

The Chapter will be holding a conference call in January to discuss the Habitat Build Day as well as ways to keep members involved that cannot attend face-to-face Chapter meetings. We are going to try to offer a call at least two different times so that if a member cannot make one call, there will be at least one other time available.
